

HEIGHT ADJUSTABLE DESK SOLUTIONS

SPACECO ILS - INTEGRATED LEVITATION SYSTEM

- Our patented ILS consists of high-performance lift columns designed to convert virtually any workstation to a Sit-Stand environment.

Freestanding Models

ILS offers freestanding, height adjustable bases. Traditional sit-stand tables offer the support beam in the center of the surfaces, taxing valuable real estate, creating user discomfort and interfering with storage components. SpaceCo's ILS horizontal support beam is recessed to the back for maximum space efficiency.

Features

- Available in 48"/1219.2mm, 60"/1524mm, 72"/1828.8mm and custom sizes.
- One controller guides four linear actuators/columns
- Multi-parallel — up to 16 legs in parallel
- 24" - 50" / 609.6mm - 1270mm range of adjustment
- Full adjustment in less than 15 seconds
- 175lbs/79.39kg weight limit per leg
- Soft start and stop function
- Speed up to 1.69"/s (43mm/s) uploaded
- Thrust up to 800 N (per leg) 180lbs /81.65kg force
- 18.25"/463.55mm work surface support bracket
- ANSI-BIMFA rated 75 lbs/34.01kg at 18"/457.2mm extension
- Finishes: Black and Platinum. White and Champagne special order basis

Panel Mount

ILS Panel Mount is innovative and practical. SpaceCo's unique design allows integration into any workstation with the simple removal of cantilever brackets.

Features

- One controller guides four linear actuators/columns
- Multi-parallel - up to 16 legs in parallel
- 24" - 50" / 609.6mm - 1270mm of range of adjustment
- Full adjustment in less than 15 seconds
- 175lbs/79.39kg weight limit per leg
- Soft start and stop function
- Speed up to 1.69"/s (43mm/s) uploaded
- Thrust up to 800 N (per leg) 180lbs /81.65kg force
- 18.25"/463.55mm work surface support bracket
- ANSI-BIMFA rated 75 lbs/34.01kg at 18"/457.2mm extension
- Finishes: Black and Platinum. White and Champagne special order basis

Environmental Design Attributes

ILS:

- Steel components with black powder coat
- Recycled content-25%
- Recyclable-100%

Cardboard Packaging:

- Recycled content-75%
- Recyclable after use-100%

Plastic Packaging:

- Low density polyethylene
- Recycled content-30%
- Recyclable after use-100%

Benefits

- Health - Ability for users to easily alternate between sitting and standing throughout the day.
- Ergonomic - Ease of use, adjustable height workstation for sit or stand.
- Space - Maximize real estate investments by reusing footprint.
- Technology - Easily suspend and access CPU's, handles, multiple monitors and all computer equipment needs.
- Environment - Reuse existing work surfaces and existing panel systems.

Panel Mount Options

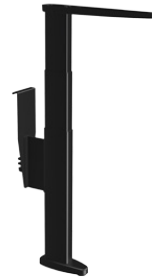

Single ILS - Panel Mount

ILS1-PSL (Left)

ILS1-PSR (Right)

ILS1-RCM (Race)

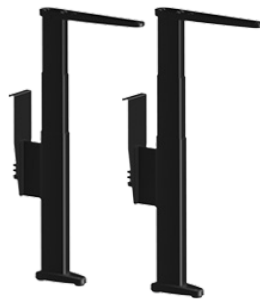

ILS1-RCN (Race)

Dual ILS - Panel Mount

ILS2-PSL

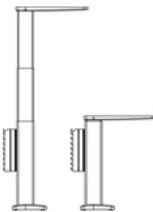

ILS2-RCM (Race)

Panel Mount Options

Feet

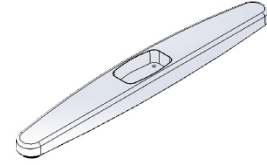

8.5"/215.9mm long
Ideal for panel mount.
Can also be used in a
corner support
application.

20.5"/520.7mm long
Ideal for 24"/609.6mm
deep free standing ILS.

24"/609.6mm long
Ideal for 30"/762mm
deep free standing ILS.

T Leg
No stabilizer beam
required when using the
T Leg.

Privacy Screens

** Available in fabric,
acrylic, laminate and com*

Personal

Full

Beam mounted privacy screens help block sound, define work areas, and provide employees with a more efficient workspace.

Modesty Panel

Laminate

Wood

Fabric

Modesty panels provide an extra layer of visual protection below the work surface, providing employees peace of mind.
